Chair Feldman called the meeting to order at 5:30 PM.

Houseman had questions regarding the 4 workers that no longer work for Bevely. (retired)

Dole talked about collective bargaining and that it concluded in 2024, at that time they knew they were. doing the study. The 4 that you're speaking about were working at the time the bargaining was going on.

Feldman said that she is in complete agreement with DPS workers getting the salaries they deserve and just as questions regarding the 4 retirees. Are we setting a precedence?

Dole said they did it with the BMEA and did not expect this to be done again.

Houseman would like to talk with the Mayor before it goes back to the full Council.

Feldman thought best to send it to the full Council for discussion and then have it sent back to Finance & Property.

Houseman agreed.

Motion to approve for discussion approved 2-0.

Meeting adjourned at 6:09 PM.
