

City of Beverly
Regular City Council Meeting
Public Meeting Minutes
Monday, April 6, 2026, 7:00 PM
Council Chambers, 3rd Floor, Beverly City Hall, 191 Cabot Street

CITY OF BEVERLY
RECEIVED AND RECORDED
CITY CLERKS OFFICE
2026 AUG 17 A 8:58

Matthew St. Hilaire, City Council Vice President, called the meeting to order at 7:00 PM. Lisa Kent, Lisa Kent, took attendance by roll call.

Members Present: Matthew St. Hilaire, Kathleen Feldman, Steven Crowley, Scott Houseman, Todd Rotondo, Keith Sonia, Danielle Spang. John Mullady joined the meeting at 7:28 PM.

Members Absent: Julie Flowers.

Also Present: Finance Director Bryant Ayles, City Solicitor Beth Oldmixon, Commissioner of Public Services & Engineering Michael Collins, Grant Director Catherine Barrett, Budget Management Analyst Gerry Perry, Former City Councilors Estelle M. Rand and Joyce McMahon, and members of the public.

Councilor Sonia led the pledge of allegiance.

Presentations, Awards and Memorials:

Parking and Traffic Commission Updates

Chairman Richard Benevento presented the annual report of the Parking and Traffic Commission. He provided an overview of the Commission's nine-seat membership, noting that it consists of representatives from the Police Department, Fire Department, Department of Public Services, Planning Department, Chamber of Commerce, City Council, and mayoral appointees. He explained that the Commission serves in an advisory capacity to the City Council, Mayor, Planning Board, and City departments on matters relating to parking, traffic, and transportation.

Chairman Benevento reviewed the Commission's responsibilities, including requests for parking restrictions, speed regulations, truck exclusions, traffic control devices, and construction management plans. He discussed several projects reviewed by the Commission over the past year, including development proposals and subdivisions, explaining that the Commission works with applicants to address traffic circulation, pedestrian safety, and neighborhood impacts before making recommendations to the appropriate board or department. Noting their work on the Trask Lane Development Project and reviewed ordinances and made recommendations to the Council for approval.

Chairman Benevento explained that the Commission's recommendations are based on engineering standards established by the Manual on Uniform Traffic Control Devices (MUTCD) which includes nine part, 83 chapters and 955 sections, as well as the Massachusetts amendments adopted by Massachusetts Department of Transportation. He noted that many requests received from residents cannot be implemented solely based on public opinion and often require engineering studies or must meet state standards before changes can be recommended. He noted that the commission works as an advisory board providing recommendation, with safety as their first consideration over convenience or other factors.

Houseman noted that the City's volunteers play an important role in making Beverly a special place and thanked Chairman Benevento and the members of the Parking and Traffic Commission for their time and service. He inquired about the status of a heavy vehicle exclusion study for Boyles Street. Chairman Benevento explained that truck exclusions generally require that heavy vehicles comprise a minimum of 5–8% of the daily traffic volume. He noted that a previous study found truck traffic accounted for only 1–2% of the total daily traffic. He stated that he was not aware of the Engineering Department currently conducting a new study but would follow up with the Department regarding the status of the request.

Comments by Citizens:

Robin Foley, 60 Rantoul Street, addressed the Council regarding the City's rodent control practices. She spoke in support of reducing the use of second-generation anticoagulant rodenticides and encouraged the city to continue implementing alternative methods of rodent control.

Bob McIntosh, 29 Atlantic Avenue, spoke in support of establishing a permanent environmental education center at Camp Paradise. He discussed the educational opportunities the property could provide for Beverly students and residents and

encouraged the City to continue working with Kestrel Educational Adventures to develop environmental programming at the site.

Aayesha Siddiqui, 14 Windsor Road, first read the Land Acknowledgement. She encouraged the Council to consider incorporating a land acknowledgment into future meetings and also spoke regarding the upcoming joint committee meeting on the City's use of Flock Safety cameras, encouraging residents to participate in the discussion.

Communications from His Honor the Mayor:

Order #101-A \$250,000 State Earmark to support Brimbal Avenue and Dunham Road intersection improvements project. Referred to the Committee on Finance and Property.

Order #102-A An award of two solar powered post mounted speed feedback signs from MassDOT. Referred to the Committee on Finance and Property.

Order #103-A A \$19,000 grant from the National Environmental Health Association, FDA, RFFM Grant Program to support the Health Department's food safety outreach program. Referred to the Committee on Finance and Property.

Order #104-A \$24,096 Firefighter Safety Equipment Grant from the EOPSS and Department of Fire Services to purchase turnout gear for the Beverly Fire Department. Referred to the Committee on Finance and Property.

Order #105-A An approximate \$1,500-\$2,000 donation from the Kinship Farm "Grown Food for Good Program" to benefit the Council on Aging. Referred to the Committee on Finance and Property.

Order #106-A A reappointment for William Finch, 50 Front Street, to serve on the Beverly Historic District Commission. Referred to the Committee on Legal Affairs.

Order #107-A A reappointment for Julia Work Vient, 76 Cabot Street #2, to serve on the Beverly Waste Reduction Committee. Referred to the Committee on Public Services.

Order #108-A A reappointment for Barbie Papalios, 30 Pond Street, to serve on the Beverly Waste Reduction Committee. Referred to the Committee on Public Services.

Order #109-A A reappointment for Brenda Wong Murphy, 15 Bertram Street, to serve on the Beverly Cultural Council. Referred to the Committee on Public Services.

Order #110-A An appointment and request for waiver of residency for Amanda Bittner, 131 Main Street, Byfield, to serve on the Beverly Cultural Council. Referred to the Committee on Public Services.

Order #111-A An appointment for Alex Weatherup, 27 Fayette Street, to serve on the Beverly Cultural Council. Referred to the Committee on Public Services.

Order #112-A An appointment for Semih Bulbul, 3 Quincy Park, to serve on the Human Rights Committee. Referred to the Committee on Legal Affairs.

Communications, from other City Officers and Boards:

Order #113-City Clerk-Renewal application for a 2nd hand Junk Dealers License for Marconi Radio, 497 Rantoul Street. Referred to the Committee on Legal Affairs.

Order #114-City Clerk-Renewal application for a 2nd hand Junk Dealers License for Beverly Bootstraps Thrift Shop, 198 Rantoul Street. Referred to the Committee on Legal Affairs.

Order #115-City Clerk-Renewal of 2026 Flammable Storage Registrations.

Referred to the Committee on Legal Affairs.

Order #116-City Clerk-A renewal application for a Class II Motor Vehicle License for Burgess Auto Sales and Service, 18 Lothrop Street.

Referred to the Committee on Legal Affairs.

Order #117-City Clerk-Renewal application for a 2nd hand Junk Dealers License for Plum Consignment LLC. d/b/a Worthy Girl, 276 Cabot Street.

Referred to the Committee on Legal Affairs.

Order #118-Sergeant Nicholson-Handicapped Parking Sign-23 Front Street.

Referred to the Committee on Legal Affairs.

Order #119-Darlene Wynne, Planning Director-Proposed Amendments to The Beverly Zoning Ordinance: Accessory Dwelling Unit Ordinance. (Set a Public Hearing)

Referred to the Committee on Legal Affairs to set a public hearing.

Order #120-Councilors Rotondo and Spang to schedule a joint meeting of the Legal Affairs and Public Services Committees to review the City's use of and contracts for Automated License Plate Readers and associated software including Flock Safety cameras.

Referred to the Committees on Legal Affairs and Public Services.

Public Hearings:

7:30 PM-Order #065-National Grid Petition #31124344 to install underground facilities on Broadway. (Cont. from 2-17-2026 and 3-2-2026)

Vice President St. Hilaire opened the hearing at 7:30 PM. A representative of National Grid, 44 River Street, addressed the Council regarding the petition, noting it was submitted on behalf of the property owner, Beverly resident Mr. Greg, to provide electrical service to the property at 32 Broadway. He explained that the project proposes the installation of underground conduit from an existing manhole in front of 28 Broadway to a new handhole at 30 Broadway, with the conduit extending to 32 Broadway. He stated that the proposed 600-amp electrical service required by the development could only be provided through the proposed underground installation.

Tiffany Collins, 35 Broadway, spoke in opposition to the petition, expressing concern over additional excavation of Broadway following several recent utility and infrastructure projects. She noted that the roadway had only recently been reconstructed and questioned the need to disturb the newly paved street. While acknowledging the need to provide electrical service to the development, she urged National Grid to explore alternatives that would minimize further impacts to the roadway and surrounding neighborhood.

Spang asked whether the work could be limited to beneath the sidewalk to avoid disturbing the roadway. The National Grid representative stated that an alternative option had been considered, but explained that alternatives carried a significant fee and that National Grid looks to work in the most cost-effective and safest manner possible. The representative further noted that the customer would be responsible for restoring the roadway and committed to restoring the affected section curb-to-curb.

Houseman agreed with the concerns expressed by the residents, noting that they were shared by many Broadway residents regarding the continued impact of roadway construction. He questioned why this work had not been coordinated with the recent cable transmission project. Houseman confirmed that the customer had committed to curb-to-curb roadway restoration and stated that the sidewalks would not be damaged.

Sonia, noting that he resides at 31 Broadway, echoed the concerns raised by his neighbor, Ms. Collins. He stated that he would support referring the petition back to the subcommittee to include amended language to ensure the petitioner receives the electrical service needed while also ensuring that the roadway and sidewalks on Broadway are restored to their current condition. He further emphasized that the curb-to-curb paving commitment should be completed in a timely manner.

Spang asked whether National Grid would be performing the work. The representative explained that all the civil work would be completed by the customer. Spang noted the Engineering Department's requirements for contractors performing work within the public way. The representative noted he was committed to maintaining open communication with the city throughout the project.

Vice President St. Hilaire closed the public hearing at 7:45 PM and referred the order to the Committee on Public Services.

Communications, Applications and Petitions:

Order #121-Department of Public Utilities-Notice of Filing and Request for Comments.

A motion to receive and place on file was made and seconded. A vote was taken, and motion carried (8-0).

Order #122-Beverly Local Food Collaborative Board of Directors-Request permission to hold the Beverly Farmers Market from June 15th through October 5, 2026.

Councilor Sonia recused himself.

Referred to the Committee on Legal Affairs.

Order #123-Cabot Performing Arts Center-Request a waiver of the city ordinance Ch. 113-2 prohibiting possession or consumption of alcohol on a public way or in public spaces.

Referred to the Committee on Legal Affairs.

A motion to recess for subcommittee work was made and seconded. A vote was taken, and motion carried (8-0). The meeting recessed from 7:46 PM until 8:02 PM when Vice President St. Hilaire called the meeting back to order.

Unfinished Business from a previous meeting:

Order #061-Councilors St. Hilaire and Mullady-A request to hold a public meeting on the City's utilization and plan for Camp Paradise located at 44 Cole Street.

No action was taken.

Reports of Committees:

Public Services:

Order #094-appointments for James Muse, Diantha Phothisan, Jason Consalvo, Donna Musumeci, Thomas Holland, Christopher Wrenn, Nathan Seavey, Zach Servideo, Dan Allon and Kevin Grant to the Economic and Community Development Council.

Vice President St. Hilaire put the question of acceptance of the proposal and adoption of the order as recommended by the subcommittee. A motion was made and seconded. A vote was taken, and the motion carried (7-0; Feldman was absent).

Order#096-Reappointment for Christopher Tatnall, 91R Hale Street, to serve on the Economic and Community Development Council.

Vice President St. Hilaire put the question of acceptance of the proposal and adoption of the order as recommended by the subcommittee. A motion was made and seconded. A vote was taken, and the motion carried (7-0; Feldman was absent).

Feldman joined the meeting at 8:03 PM

Order #097-Request approval for the Beverly Golf and Tennis Club 2026 Member Rate Schedule.

Vice President St. Hilaire put the question of acceptance of the proposal and adoption of the order as recommended by the subcommittee. A motion was made and seconded. A vote was taken, and the motion carried (8-0).

Legal Affairs:

Order #095-A reappointment for Timothy R. Creamer, 36 Appleton Avenue to serve as Constable.

Vice President St. Hilaire put the question of acceptance of the proposal and adoption of the order as recommended by the subcommittee. A motion was made and seconded. A vote was taken, and the motion carried (8-0).

Order #113-Order Renewal application for a 2nd hand Junk Dealers License for Marconi Radio, 497 Rantoul Street.

Vice President St. Hilaire put the question of acceptance of the proposal and adoption of the order as recommended by the subcommittee. A motion was made and seconded. A vote was taken, and the motion carried (8-0).

Order #114-Renewal application for a 2nd hand Junk Dealers License for Beverly Bootstraps Thrift Shop, 198 Rantoul Street.

Vice President St. Hilaire put the question of acceptance of the proposal and adoption of the order as recommended by the subcommittee. A motion was made and seconded. A vote was taken, and the motion carried (8-0).

Order #115-Renewal of 2026 Flammable Storage Registrations.

Vice President St. Hilaire put the question of acceptance of the proposal and adoption of the order as recommended by the subcommittee. A motion was made and seconded. A vote was taken, and the motion carried (8-0).

Order #116-A renewal application for a Class II Motor Vehicle License for Burgess Auto Sales and Service, 18 Lothrop Street.

Vice President St. Hilaire put the question of acceptance of the proposal and adoption of the order as recommended by the subcommittee. A motion was made and seconded. A vote was taken, and the motion carried (8-0).

Order #117-Renewal application for a 2nd hand Junk Dealers License for Plum Consignment LLC. d/b/a Worthy Girl, 276 Cabot Street.

Vice President St. Hilaire put the question of acceptance of the proposal and adoption of the order as recommended by the subcommittee. A motion was made and seconded. A vote was taken, and the motion carried (8-0).

Order #119-Proposed Amendments to The Beverly Zoning Ordinance: Accessory Dwelling Unit Ordinance.

A motion to set a public hearing as recommended by the subcommittee for May 4, 2026, at 7:30 PM was made and seconded. A vote was taken, and motion carried (8-0).

Order #123-Cabot Performing Arts Center-Request a waiver of the city ordinance Ch. 113-2 prohibiting possession or consumption of alcohol on a public way or in public spaces.

Vice President St. Hilaire put the question of acceptance of the proposal and adoption of the order as recommended by the subcommittee. A motion was made and seconded. A vote was taken, and the motion carried (8-0).

Order #122-Request permission to hold the Beverly Farmers Market from June 15th through October 5, 2026.

Sonia recused himself. Vice President St. Hilaire put the question of acceptance of the proposal and adoption of the order as recommended by the subcommittee. A motion was made and seconded. A vote was taken, and the motion carried (7-0; Sonia recused himself).

Order #118-Sergeant Nicholson-Handicapped Parking Sign-23 Front Street. (first reading)

Vice President St. Hilaire put the question of acceptance of the proposal and adoption of the order as recommended by the subcommittee. A motion was made and seconded. A vote was taken, and the motion carried (8-0).

Order #58A-Assistant City Solicitor Dole-Proposed amendments to Chapter 117-Animals to add a new Chapter V titled Feeding of Wild Animals and /pr Wildlife. (final passage)

Rotondo made a motion to amend by striking section 117-20 section A "Notwithstanding 117-21 below,". Vice President St. Hilaire called for a vote on the motion to remove the amendment. A vote was taken, and motion carried (8-0).

Vice President St. Hilaire put the question of acceptance of the proposal and adoption of the order as amended. A motion was made and seconded. A vote was taken, and the motion carried (8-0).

Finance and Property:

Order #101-A \$250,000 State Earmark to support Brimbal Avenue and Dunham Road intersection improvements project.

Vice President St. Hilaire put the question of acceptance of the proposal and adoption of the order as amended. A motion was made and seconded. A vote was taken, and the motion carried (8-0).

Order #102-An award of two solar powered post mounted speed feedback signs from MassDOT.

Spang questioned whether the location of the speed signs was known. Catherine Barrett, Director of Grants, noted the proposed installation locations as 299 Dodge Street, near the Tree Farm, and 98 Essex Street, on the right shoulder, which were selected based on traffic volume and speed data.

Vice President St. Hilaire put the question of acceptance of the proposal and adoption of the order as amended. A motion was made and seconded. A vote was taken, and the motion carried (8-0).

Order #103-A \$19,000 grant from the National Environmental Health Association, FDA, RFFM Grant Program to support the health department's food safety outreach program.

Vice President St. Hilaire put the question of acceptance of the proposal and adoption of the order as amended. A motion was made and seconded. A vote was taken, and the motion carried (8-0).

Order #104-A \$24,096 Firefighter Safety Equipment Grant from the EOPSS and Department of Fire Services to purchase turnout gear for the Beverly Fire Department.

Vice President St. Hilaire put the question of acceptance of the proposal and adoption of the order as amended. A motion was made and seconded. A vote was taken, and the motion carried (8-0).

Order #105-A An approximate \$1,500-\$2,000 donation from the Kinship Farm "Grown Food for Good Program" to benefit the Council on Aging.

Vice President St. Hilaire put the question of acceptance of the proposal and adoption of the order as amended. A motion was made and seconded. A vote was taken, and the motion carried (8-0).

Order #088-A An FY2026 Inter Departmental Transfer request of \$241,250 from the Reserve for union negotiations to fund retroactive costs back to July 1, 2024.

Houseman questioned the general principle of precedent and how this type of arrangement for post-employment benefit payments might affect future negotiations with other bargaining units. He acknowledged that the matter was separate from the collective bargaining process but raised it as a broader policy question.

Cahill explained that the transfer was related to the Department of Public Services (DPS) classification and compensation study, which began more than two years prior. He stated that the study involved comparing DPS positions with comparable communities, revising job descriptions where necessary, and ensuring employees were compensated competitively and fairly. Due to delays in completing the study, including unforeseen circumstances affecting the consultant, the administration committed to making any approved salary adjustments retroactive to the beginning of the current contract. The Mayor stated that this commitment also applied to employees who had retired after the contract began but were employed during the study period, noting that honoring the commitment was a matter of fairness.

Houseman asked whether providing retroactive compensation to former employees could establish a precedent affecting future negotiations with other bargaining units. Assistant City Solicitor Christopher Dole explained that a similar process had previously been completed for the Beverly Municipal Employees Association (BMEA) and emphasized that the City's other bargaining units do not have the same diversity of job classifications requiring such a review. He explained that the compensation adjustments were separate from collective bargaining and resulted from a unique classification and compensation study. Mr. Dole stated that he did not believe the action would establish a precedent for future collective bargaining negotiations.

Houseman also asked whether the financial impact of the salary adjustments had been incorporated into the City's long-range financial forecast. Mayor Cahill confirmed that the costs had been included.

Budget Analyst Gerry Perry addressed the Council, stating that he had initially expressed concerns regarding the proposal, particularly its potential precedent and financial impact. Following discussions with the administration and review of the matter, he concluded that the adjustments were justified. Mr. Perry noted that the total compensation package amounted to approximately \$502,000 for 43 current employees and four retirees and confirmed that the projected costs had been incorporated into the City's FY2027 financial forecast. He further stated that the consultant's report found DPS compensation to be below comparable communities and that the adjustments would help improve recruitment, retention, and equity with other City bargaining units.

Vice President St. Hilaire put the question of acceptance of the proposal and adoption of the order. A motion was made and seconded. A vote was taken, and the motion carried (7-1 with St. Hilaire in opposition).

Spang noted the upcoming public forum hosted by Special Committee on Rental policies public forum Wednesday, April 8, 2026, at 6:00 PM in Council Chambers.

Spang further noted that the Legal Affairs and Public Services Committees would be meeting prior to the next regular Council meeting on April 21, 2026, at 6:00 PM, in Council Chamber to meet with the Police Department to discuss the automated license plate readers.

A motion to adjourn was made and seconded. A vote was taken, and motion carried (8-0). The meeting adjourned at 8:34 PM.

#101	04/6/2026	A \$250,000 State Earmark to support Brimbal Avenue and Dunham Road intersection improvements project.	A 2-0
#102	04/6/2026	An award of two solar powered post mounted speed feedback signs from MassDOT.	A 2-0
#103	04/6/2026	A \$19,000 grant from the National Environmental Health Association, FDA, RFFM Grant Program to support the health department's food safety outreach program.	A 2-0
#104	04/6/2026	A \$24,096 Firefighter Safety Equipment Grant from the EOPSS and Department of Fire Services to purchase turnout gear for the Beverly Fire Department.	A 2-0
#105	04/6/2026	An approximate \$1,500-\$2,000 donation from the Kinship Farm "Grown Food for Good Program" to benefit the Council on Aging.	A 2-0

Chair Feldman called the meeting to order at 7:48 PM.

Order #101-Catherine Barrett, Director of Grants, noted this was an earmark secured with the assistance of Senator Joan Lovely and Representative Hannah Bowen. She referenced the accompanying letter outlining the funding sources for the Brimbal Avenue/Dunham Road Intersection Improvement Project, including this earmark, and stated that the project is now fully funded.

A motion to approve was made and seconded. A vote was taken, and motion carried (2-0).

Order #102- Ms. Barrett thanked Sergeant Nicholson for his assistance in obtaining the solar-powered speed feedback signs. She noted there is a possibility of receiving one or two additional signs in the

future. She identified the proposed installation locations as 299 Dodge Street, near the Tree Farm, and 98 Essex Street, on the right shoulder, which were selected based on traffic volume and speed data.

A motion to approve was made and seconded. A vote was taken, and motion carried (2-0).

Order #103-Ms. Barrett thanked Health Director Laura Ricci for her assistance with the grant application, noting this was the third year the City had applied. She stated that it has become less common to receive the full amount requested.

Houseman asked whether the grant covered materials and supplies and how the grant fit into the Health Department's budget. Ms. Barrett believed the funding was primarily for staff conducting inspections but stated she would get more information.

A motion to approve was made and seconded. A vote was taken, and motion carried (2-0).

Order #104-Ms. Barrett noted this was the second time during the current fiscal year that the City had received this grant. She explained that the funding became available through the state and was awarded on a limited timeframe, requiring the City to order the equipment promptly.

Feldman asked whether the grant would cover all needed equipment. Ms. Barrett responded that she did not believe it would.

Houseman asked whether the grant was awarded annually to replace equipment. Ms. Barrett explained that the City must apply each year but has been aware of the funding opportunity on an annual basis.

A motion to approve was made and seconded. A vote was taken, and motion carried (2-0).

Order #105-Ms. Barrett explained that the grant would fund the construction of raised vegetable growing beds, including lumber, soil, and labor. She noted that the City's Senior Work Program would assist with maintaining the garden beds at the Council on Aging, and that surplus fruits and vegetables would be donated to the community.

Feldman called Committee of the Whole to order at 7:58 PM with Crowley, Rotondo, and St. Hillaire attendance.

A motion to approve was made and seconded. A vote was taken, and motion carried (2-0).

Mullady, Sonia and Spang joined the meeting at 7:59 PM.

Order #088-A motion to approve to send to Committee of the Whole for discussion was made and seconded. A vote was taken, and motion carried (2-0).

A motion to adjourn Committee of the Whole was made and seconded. A vote was taken, and motion carried (8-0). The meeting adjourned at 8:00 PM.

A motion to adjourn was made and seconded. A vote was taken, and motion carried (2-0). The meeting adjourned at 8:00 PM.
