LONDONDERRY SEWER/SOLID WASTE SUBCOMMITTEE MEETING MINUTES - DRAFT

Saturday April 25, 2026 – **10:00 a.m.**

Sunnycrest Conference Room- Londonderry Town Hall

I. Call to Order 10:04. Committee members present: Martha Smith, Lynn Wiles, Joy Fraga Muller, John Mahon.

II. Public Comment: None Present

III. Approval of minutes from prior meeting (April 3): Martha motion to accept minutes, Lynn second. Subcommittee all in favor.

IV. Review:

a. **Purpose Energy Tour**. Martha is working on getting our committee's schedule together for the tour of the current VT operations.
   i. Committee plans to tour with an eye to the concerns of the public voiced to the planning board. These concerns were: odor, vermin, traffic. Committee members also brought up potential concerns with periodic trucks lining up and idling engines on Wentworth Road.

b. **SSW Strategic Plan Input**.
   i. Town Manager held a meeting on April 22 for the draft strategic plan. John attended and there are several deliverables that SSW sub-committee will have an interest in. Committee action item: look over the key performance indicators and bring ideas to our next meeting that we would like to work on over the next year.
      1. Full committee: Review prior survey done to plot town septic tank areas for next meeting.
      2. Septic Tank video
         a. Committee to do: look and see what is out there for YouTube Videos.
      3. Food waste reduction video by 12/31/2026
         a. Barebones a script in the next few meetings
         b. Identify 2-3 students interested in doing these
      4. Master list of composting opportunities by 3/31/2027
      5. Drop-off center fee structure evaluation

c. Home Composting DIY
   i. Joy action item: send the document with links and pictures of ideas to Town Manager.
   ii. Joy and John: Meeting with Town Manager to talk about the potential for town helping with citizens who want to start.

d. Dog Waste Communication

i. John is going to work to finalize.

e. School contacts

V. Other Committee Discussion

a. Lynn advised that Purpose Energy compost facility passed the planning board.

b. John brought up the idea of our committee brining composting to over-55 communities and the idea of "clubs" to give as a social outing and civic service.

i. Identify these communities get on their board agenda.

ii. Identify others who may be interested and ask to help with presentation to the community

iii. Chose to implement at a test location before bringing fully to other communities.

iv. John will reach out and ask Renewal Compost what their price may be for a central community pickup.

VI. Public Comment – none.
