III. Public Comment- None

IV. Subcommittee Administrative Work

a. Approval of August 4, 2026 meeting minutes postponed to the next subcommittee meeting.

V. New Business

a. Katrin Kasper, Clean Energy NH. Katrin briefed the subcommittee on how Clean Energy NH works with communities across the state to implement energy related projects including solar, energy efficiency, and EV charging infrastructure.

b. Clean Energy NH will work with the subcommittee to set up a community-wide listening session to solicit ideas and receive feedback on energy related projects. Kasper reiterated that most grant money available requires that projects be shovel ready.

c. Lynn Wiles will forward a copy of Londonderry's Solar zoning ordinance to Clean Energy NH for their review and feedback.

d. Kasper will work with James Danis to investigate NH Saves funds that could be applied to the Town Hall renovations currently underway.

e. Discussion on the "Recharge the Adventure New Hampshire" grant program designed to expand the EV charging station infrastructure in the state to better support tourism and economic development.

f. Clean Energy NH is holding its annual Local Energy Solutions Conference on November 22, location TBA. Londonderry receives four tickets to the conference as part of its membership.

VI. Old Business

a. Community Choice Aggregation Program- Lynn Wiles gave a presentation on the status of the program to the Town Council on September 21. The presentation was very well received.

b. Continued discussion on implementing the SolarAPP+ permitting tool. Town hall resource constraints will likely delay staff review of the app.

VII. Round Table Discussion

VIII. Public Comment- None

IX. Next Meeting- December 1, 2026

X. Meeting Adjournment at 5:45 PM.
