1. The Mayor respectfully requests approval of a loan authorization in the amount of \$462,755.00 for the additional design services for the inclusion of the Fire Administration Wing of the Police Station.

Purchasing Agent Crystal Philpott and Police Chief Kevin O'Connell appeared before the committee. Ms. Philpott gave a brief presentation regarding the most recent changes to the ongoing design phase of this project. This new concept that came up at the last meeting will relocate fire administration. This change will eliminate the need to add additional space to the building. Total additional costs are \$901,226.00. Drug forfeiture funds will be used to cover the remaining cost that exceeds the loan order amount. Councillor Bradley-MacArthur asked how this new design is different than the previous design plans. Councillor Hanley asked how this affects the previous timeline. Ms. Philpott said it will add a few months to the project. Ms. Philpott said the timing really hinges on when DPW moves off the site. Councillor Hanley made a motion for approval. Motion was approved on a voice vote.

Councillor Hanley moved to adjourn. Motion was adopted and the meeting was adjourned at 6:07 pm.

Respectfully submitted,
Thamas J. Magno - Clerk
