IV. Review Draft Short Term Public Art Policy

- Short term: projects that are completed by 10/17/26
- Long term policy development happening from now until 10/17/26
- Will the city allow staff to apply for a municipal-only grant on behalf of an artist?
- Is there graffiti on top of some of our art installations in Winooski? (Ray said not really, a little bit here and there).
- Use of AI for meeting minutes??
- This (short term public art policy) will be on Monday's council meeting.
- At the moment, we apply signage policy to public facing art on private property.

V. Determine Whether There Will Be Vacant Commission Seats (for Terms Ending June 30, 2026)

- Amanda will be stepping down
- Arica stepping down
- Scott stepping down
- Looking for commissioners who look like our community, we need more diversity
- Joint meeting in June with I and B--should we be doing background checks on commissioners?

Will put out a poll to find a meeting time

VI. Inclusion and Belonging Commission Liaison Updates

They are working on language behind the City's Unified Land Use and Development Regulations.

Trying to get people to attend a public hearing on the 18th (city council meeting) where there will be discussion on some specific language in the planning and zoning documents.

Go to planning commission meetings to find some of the history of this policy.

VII. City Council and City Staff Liaison Updates

Deputy Mayor Bryn Oakleaf: Special meeting in April to talk about commissions

Ray Coffey, Community Services Director:

- Getting to end of busy season
- Staffed up for pool supervisors--a couple lifeguards are still needed
- Registration strong and consistent
- Community Services and the Library are moving to Winooski Falls Way, will be reopening in June
- Pool opens June 7, pizza party June 6
